

In line with requirements under the Australian Modern Slavery 2018 (Cth) GreenHy2 opposes all forms of slavery and forced labour in its operations and operation of its suppliers.

## **About GreenHy2**

GreenHy2 Limited (GreenHy2) is an integrated services provider specialising in the innovative delivery of asset management solutions, electrical maintenance and telecommunications-related infrastructure.

Our national footprint services customers across a range of sectors including retail, commercial and industrial assets, ports, renewable energy and transport infrastructure.

The purpose of GreenHy2 is to deliver to clients in the resources, industrial and commercial sectors specialist multidisciplinary maintenance and construction services, which protect and enhance their investments, without ever compromising on our values. Whilst doing this the Board is committed to providing a satisfactory return to its shareholders and fulfilling its corporate governance obligations and responsibilities in the best interests of the company and its shareholders.

## **Our stance against modern slavery**

We are committed to conducting business responsibly and ethically and to ensure that all aspects of our business practices, including our supply chains, are free from any form of slavery.

## **Risk assessment and due diligence**

We are committed to undertaking regular due diligence when using external suppliers and to identify suppliers that are high risk.

## **Training**

We are committed to training our staff on human rights as part of our ongoing education so that they are able to understand, indemnify and report modern slavery. We have made the training resources provided by Anti Slavery Australia available to our employees.
